

MM746PU

Ultra Slim Motorized Wall Mount For 23" to 46" Ultra-thin Flat Panel Displays*

Create the perfect viewing angle with the touch of a button! Ideal for the latest generation of ultra-thin flat panel displays, the MM746PU Motorized Wall Mount adds the convenience of remote control operation to a low-profile design. Quietly and easily adjust the position of the display from a distance; the included remote allows for infinite positioning of the display and up to three memory preset positions ensuring quick adjustments back to preferred viewing angles. The near silent motor operation complements the slim, contemporary look and function of the mount while the automatic display centering and wall detection ensures that the display is perfectly centered and avoids unwanted contact with walls.

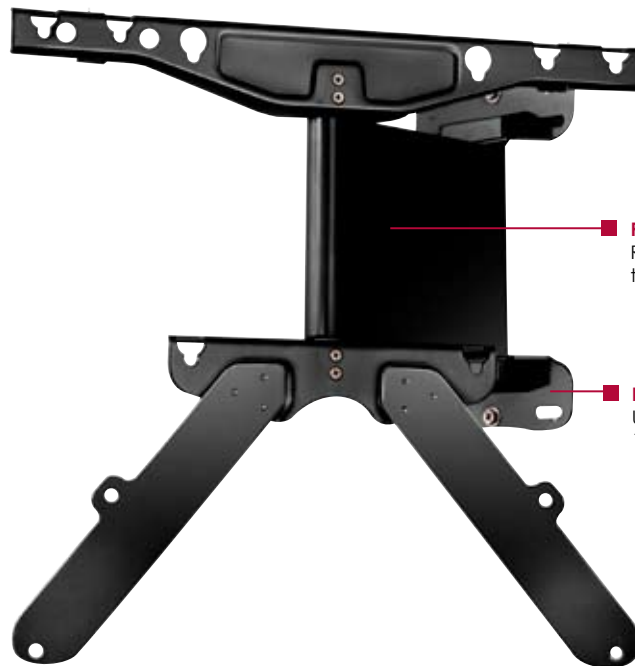

Display size: 23"-46"

Max load: 110lb (50kg)
